

Machine Name : Horizontal machining center

Brand : FEELER

Machine Model : FMH-500

Stock No. : 84507

Ex-factory Date : 2009

Main Technical Parameters:

CNC System: FANUC

Three axis 45 ball imported track, dual worktable

Three axis travel: 730 * 710 * 710mm

Dimensions: 3723 * 3950 * 3300mm

Spindle speed: 6000rpm

Spindle form: BT50

Variable frequency high and low gears

HSK63 knife handle

Double exchange workbench size: 500 mm * 500mm

Turntable: One thousandth degree

Knife storage capacity: 40 pieces

Spindle motor power: 11/15kW

Three-axis rail

Electric spindle with central water outlet

Machine weight: 16000kg
