

Machine Name : Boring and milling machine

Brand : WOTAN

Machine Model : rapid 5

Stock No. : 84519

Ex-factory Date : 2000

Main Technical Parameters:

CNC system: Heidenhain TNC 530

Spindle diameter: 160 mm

three-axis stroke: 19000 *3000 *900mm

W axis (spindle longitudinal) : 900 mm

Ram size: 360 x 360 mm

Spindle speed: stepless adjustment, 3, 2-1250 U/min

spindle taper: ISO SK 50 DIN 2080

spindle drive motor: 90 kW

x/y/z axis feed: stepless speed regulation, 1-5000 mm/min

x/y/z axis fast speed: 5 + 10000 mm/min

Forward mill Spindle diameter: Ø240 mm

Total power required: 180 kW

Machine weight: about 84 t
