

Machine Name : Gantry machining center

Brand : VISION WIDE

Machine Model : MPC-3050A

Stock No. : 84526

Ex-factory Date : 2021

Main Technical Parameters:

Spindle speed :6000rpm cutter number :40 three-axis travel :5400x4000x800mmT type slot size (width * number) Worktable: 2.4-5m Gantry Width: 2.8m Gantry Height: 1.3m with automatic universal AC head, the Three axes cell with the transmission glass scale rule CNC control CNC System: Fano MF CNC System
