

Machine Name : Automatic Lathe

Brand : STAR

Machine Model : SP-23

Stock No. : 61561

Ex-factory Date : 2022

Main Technical Parameters:

CNC system: FanUC PLus system
Max. working Diameter :25.4mm
spindle milling side Power :7
Back moving shaft force :4
Equipped with "stepcycle" chip breaking function
Oil distribution fog collection collector
high pressure pump
transformer
Turn guide set
Praseodymium on 326 feeder
