

Machine Name : Horizontal machining center

Brand : OKK

Machine Model : HM800

Stock No. : 84542

Ex-factory Date : 2015

Main Technical Parameters:

Control CNC System: Fanuc 310is three-axis travel: 1400*1100*1050mm Worktable size: 800mm*800mmB axis arbitrary transmission rate of spindle speed: 35-8000rpm spindle type: BT50 Tool capacity: 80 Mechanical appearance size: 3682mm*6395mm*4000mm Machine weight: 24500kg
