Machine Name : machining center

Brand : DOOSAN

Machine Model : HM805II

Stock No. : 61606

Ex-factory Date : 2014

Main Technical Parameters:

CNC system :DOOSAN-FANUCiSeries
spindle taper: BT50
spindle revolution: 6000rpm
Motor power: 18.5/22 kW
three-axis stroke :1250*1000*1000mm
Worktable size: 800*800mm
Distance from spindle end face to center of work table: 200-1200 mm
3 axes fast moving speed :24 m/min
machine tool weight: 20T
40 tools magazine
Zone center effluent
Strip removal

PamtonSchnell
