

Machine Name : Vertical machining center

Brand : Wintec

Machine Model : VC-1086

Stock No. : 84602

Ex-factory Date : 2019

Main Technical Parameters:

CNC CNC System: FANUC oi-MF CNC System Worktable size :1700x820mm three-axis travel :1600x800x700mm spindle taper :BT50 Spindle speed :6000rpm Distance from nose of spindle to Worktable :170-870mm spindle power :15/18.5KW Worktable load :2000kg machine tool weight :15000kg 3 axes rigid guideway machine tools magazine :24
