

Machine Name : machining center

Brand : CINCINNATI

Machine Model : CFV1050

Stock No. : 61630

Ex-factory Date : 2015

Main Technical Parameters:

CNC CNC System: Fan Ke MD three-axis travel: 1050x540x520mm Distance from spindle to worktable: 150-670mm the size of worktable: 1300x550mm the Load of worktable: 1200kgT type Water tank size: 5x18x100mm Main motor power: 18.5-22kw the speed of spindle: 1500rpm machine tool Weight: 7000kg Footage: 2360x2277x3403mm
