

Machine Name : Vertical machining center

Brand : HODAO

Machine Model : HD-V8

Stock No. : 61642

Ex-factory Date : 2016

Main Technical Parameters:

CNC CNC System: Mitsubishi M70 Worktable size :900x450mm Worktable load cell :450kg three-axis travel :800x500x550mm Distance from the front end of the axis axis to worktable :120-670mm distance from the center of the axis axis to the column surface :580mm spindle speed :10000rpm spindle speed motor :7.5kw
