

Machine Name : Vertical turning and milling machining center

Brand : SCHARMANN

Machine Model : 1600

Stock No. : 84644

Ex-factory Date : 2008

Main Technical Parameters:

Worktable size :1400mm

Cutting diameter :1600mm

Cutting length :1000mm

Spindle speed :315rpm

Power consumption :70kw

workpiece load :9tons

tools magazine :125

CNC System; 840D

Tool CNC System :IOS 50 for drill/mill. Coromant Capto C6 for Turning
