Machine Name : Vertical machining center

Brand : WELE

Machine Model : AQ850

Stock No. : 84702

Ex-factory Date : 2012

Main Technical Parameters:

CNC CNC System: FANUC MD

spindle taper: BT4

3 axes using Japan THK high-speed high-Linear guideway with high accuracy

three-axis travel: 800x510x510mm

High speed spindle: 12000 RPM

Dual cooling design

PamtonSchnell
