

**Machine Name : Digital display
horizontal boring milling machine**

Brand : Hanland

Machine Model : TX611C

Stock No. : 61759

Ex-factory Date : 2011

Main Technical Parameters:

Spindle diameter : 110mm

Worktable size : 1100*960mm

Maximum boring diameter : 1100mm

Maximum drilling diameter : 110mm

Spindle speed: 800rpm

Main motor power : 37kw

Weight : 13T
