

Machine Name : Vertical machining center

Brand : VICTOR

Machine Model : vcneter-85

Stock No. : 84867

Ex-factory Date : 2004

Main Technical Parameters:

CNC CNC System: FANUC MF

three-axis travel :850*520*560mm

Maximum distance from Distance from spindle center to column :600mm

Maximum distance from nose of spindle to Worktable :710mm

Worktable size :1100*510mm

T-slot :5*18*100mm

load :750/1000kg

spindle motor :7.5/11kw

Spindle speed :8000/6000rpm

Footage :2450*2400*2640mm

Weight :5700kg

With small 5 axes
