

Machine Name : Turn mill machining Centere

Brand : MAZAK

Machine Model : Quick Turn 200MAL

Stock No. : 84870

Ex-factory Date : 2021

Main Technical Parameters:

CNC CNC System: smooth C

X axis travel :225mm

Z-axis travel :605mm

12 positions turret

Spindle speed :5000 RPM

chuck 10 inch

Maximum rotating diameter :660 mm

Maximum machining diameter :360 mm

Maximum machining length :535 mm

With 3 live tools

Chain type Chip conveyor
