

Machine Name : machining center

Brand : TAKAM

Machine Model : TE855

Stock No. : 84952

Ex-factory Date : 2015

Main Technical Parameters:

CNC CNC System: FANUC plus

Footage: 2694*2346*2780mm

three-axis travel: 850*550*550mm

Worktable size: 1000*550mm

Spindle speed :10000 RPM

spindle power: 11KW

tools magazine :24 tool arm type

3 axes roller linear guideway

oil chiller

Stravel Chip conveyor
