

Machine Name : Automatic Lathe

Brand : Star

Machine Model : SP-23

Stock No. : 84978

Ex-factory Date : 2022

Main Technical Parameters:

CNC CNC System: FANUC PLus

Maximum machining diameter :25.4mm

spindle side milling Power :7

Back axis moving force :4

With stepcycle chip breaking function

Oil mist collector

high pressure pump

Change compressor

Rotate guide sleeve

Praseodymium on 326 bar Bar feeder
