

Machine Name : Vertical machining center

Brand : Wintec

Machine Model : VF1160

Stock No. : 484906

Ex-factory Date : 2023

Main Technical Parameters:

CNC CNC System: FANUC 0i-MFpuls

three-axis travel :1100*600*600mm

spindle: Tae Yuwan cheng BT40

Spindle speed :10000rpm with oil cooling

Tai Okawan field 24 machine Tool holder mechanical tools magazine

Inside double helix chip conveyor

Take 30 kg of center flushing

Three roller column guideway
