

Machine Name : CNC gantry machining center

Brand : Hartford

Machine Model : CNC-426L

Stock No. : 484976

Ex-factory Date : 2010

Main Technical Parameters:

CNC CNC System: Mitsubishi M70

spindle taper: BT50

three-axis travel: 4000*2600*900mm

Worktable size: 4200*2040mm

Gantry height: 2850mm

Gantry width: 2800mm

With glass scale

Two linear guideways and one rigid guideway
