

Machine Name : machining center

Brand : CINCINNATI

Machine Model : CFV 550 Xi

Stock No. : 84986

Ex-factory Date : 2016

Main Technical Parameters:

spindle taper : HSK63

Spindle speed : 16000 RPM

CNC System: FANUC 31i model B

three-axis travel 540*540*720

Support 5 axes simultaneous control

With central outlet water, 3 axes with light filter, oil chiller, hydraulic station, tap type Chip conveyor
