

**Machine Name : High-speed gantry machining center**

**Brand : VISION WIDE**

**Machine Model : 2116**

**Stock No. : 85022**

**Ex-factory Date : 2018**

**Main Technical Parameters:**

CNC CNC System: FANUC MF with pedal

Worktable size :1500\*2000mm

three-axis travel :2000\*1600\*1000mm

Gantry height :1.15m

Gantry width :1.7m

Three axes linear guideway

spindle :BT50

tools magazine :32 chain

With Tool Aligner, external oil chiller, hydraulic station, chip conveyor
