

Machine Name : CNC inclined rail lathe

Brand : HYUNDAI WIA

Machine Model : E200A

Stock No. : 85042

Ex-factory Date : 2013

Main Technical Parameters:

CNC CNC System: FANUC TD

8 "hollow chuck

Main motor power: 11kw

spindle through hole diameter: 62mm

Turret position: 10

Fast moving rate: 30m/min

With rear chain chip conveyor

Rotation diameter: 480mm

machining length: 280mm

precision: 0.01mm
