

Machine Name : 5 axes simultaneous control machining center

Brand : MIKRON

Machine Model : MILLE 500 U

Stock No. : 461387

Ex-factory Date : 2022

Main Technical Parameters:

CNC System: HEIDENHAIN TNC 640X*Y*Z axis travel: 500*450*400mm spindle: 20.000min-1 Tool holder: HSK-A63 tools magazine: 30 Configuration: Imported tool holder, 500mmT diameter Rigid worktable surface (with four ventilation interface), lifting scraper chip conveyor, movable handwheel - Heidenhain, Heidenhain glass scale, laser tool CNC System (HDH), infrared probe preparation device (HDH), infrared probe OMP40(HSK-A63 interface), calibration ball HH KKH 100.
