

Machine Name : CNC inclined rail car

Brand : GOODWAY

Machine Model : GLS-200

Stock No. : 85097

Ex-factory Date : 2014

Main Technical Parameters:

CNC CNC System: FANUC MFplus

Machining length :500mm

turning diameter :400mm

12 positions servo turret

Large through hole 76mm

spindle power :11/15KW

Two-axis roller linear guideway

With hydraulic tailstock

chip conveyor

8 inch chuck
