

Machine Name : Centerless grinder

Brand : MICRON

Machine Model : MD-600II

Stock No. : 484389

Ex-factory Date : To be added

Main Technical Parameters:

grinding wheel size: 610*205* inner hole 304.8mm

Guide wheel size :330*205*152.4mm

machining range 2-85mm

Test grinding small workpiece roundness within 0.5um, adjust the feed size of the minimum can be controlled at 0.5um
