

Machine Name : 5 axes simultaneous control machining center

Brand : Mikron

Machine Model : MILL E 800

Stock No. : 484410

Ex-factory Date : 2021

Main Technical Parameters:

three-axis travel: 700*600*500 allocation accuracy: 0.003 main motor, the power of the power cell :36kw Weight :8060 tool, the quantity of the power cell :24
