

**Machine Name : CNC boring and milling
Worktable**

Brand : WOTAN

Machine Model : Rapid1

Stock No. : 85174

Ex-factory Date : 2000

Main Technical Parameters:

Height :2000mm

X axis travel :2000mm

Worktable size :12500*1600mm

Column movement :1600mm

tools magazine :80 pieces

CNC System: Siemens
