

Machine Name : Profile machining center

Brand : PRATIC

Machine Model : PYC-CNC2500

Stock No. : 92343

Ex-factory Date : 2021

Main Technical Parameters:

CNC CNC System: FANUC M80

three-axis travel: 2500*580*700mm

spindle: BT40

tools magazine: 24

Worktable size: 2500*650mm

Spindle speed: 12000rpm

All surrounding protective plate gold

chip conveyor
