

Machine Name : Vertical machining center

Brand : WELE

Machine Model : CV-1060

Stock No. : 85178

Ex-factory Date : 2017

Main Technical Parameters:

CNC CNC System: FANUC MF

three-axis travel: 1000*600*600mm

Worktable size: 1150*600mm

Spindle speed: 10000rpm

spindle taper: BT40

tools magazine: 24

spindle power: 11KW

Three axes linear guideway

With automatic chip conveyor

With oil chiller
