

Machine Name : Horizontal machining center

Brand : HYUNDAI WIA

Machine Model : HS400i

Stock No. : 85293

Ex-factory Date : 2013

Main Technical Parameters:

three-axis travel :620*560*650mm

CNC CNC System: FANUC 21MB

Maximum machining feet inch :660*650mm

Worktable size :400*400mm, double work station

Worktable Maximum Load :500kg

Minimum Positioning indexing :1°

spindle cone degree :BT40

spindle turn speed :12000rpm

spindle work ratio :25/22

Fast moving rate degree :50*50*50 m/min

Tool capacity 40

With spindle Center flushing

Chain chip conveyor
