

Machine Name : Gantry machining center

Brand : Hartford

Machine Model : CNC-423L

Stock No. : 85340

Ex-factory Date : 2017

Main Technical Parameters:

CNC CNC System: FANUC MF

three-axis travel: 4000*2300*1100mm

Worktable :4000*2200mm

Gantry height :1400mm

Spindle speed: 8000rpm

One three-linear guideway

Three hard track 1

Double automatic chip removal
