

**Machine Name : double position
horizontal machining center**

Brand : Mecheline

Machine Model : MBM-500

Stock No. : 85372

Ex-factory Date : 2018

Main Technical Parameters:

three-axis travel: 900*720*800mm

3 axes fast feed rate: 60*60*60m/min

3 axes glass scale

spindle: HSK63

Maximum speed: 14000rpm

Maximum torque: 266NM

spindle power: 22/25KW

spindle nose to Worktable: 100-800mm

With center flushing

worktable size: 500*500mm

Worktable thousandth of a degree

Maximum Tool weight: 8kg

Maximum length: 500mm

Maximum diameter: 140mm

tools magazine: 40/60

Rear chip conveyor
