

Machine Name : Gantry machining center

Brand : VISION WIDE

Machine Model : SM-4122

Stock No. : 485061

Ex-factory Date : 2021

Main Technical Parameters:

CNC CNC System: FANUC -OiMF/Plus (1 mold making software package)

spindle: BT50

Spindle speed :6000rpm with oil chiller

Worktable size: 4300*2100mm

three-axis travel :4100*2200*800mm

Over gantry width :2400mm

Over the gantry height :1300mm

guideway: three linear roller guideway

X-axis 16 slider
