

Machine Name : Vertical machining center

Brand : Deyung

Machine Model : DV855+

Stock No. : 485094

Ex-factory Date : 2022

Main Technical Parameters:

spindle :BBT40 spindle

Spindle speed: directly connected 12000 RPM

tools magazine: Okada 24 tool arm tools magazine

Track: Three axes linear guideway

CNC CNC System: FANUC MFplus

three-axis travel :800*500*550mm
