

Machine Name : CNC lathe

Brand : DMG

Machine Model : CTX 5106eCo

Stock No. : 92408

Ex-factory Date : 2011

Main Technical Parameters:

machining length :1150mm

Rotation diameter :465mm

Bed rotation range :680mm

X slide plate drive range :465mm

XZ B axisall screw rod drive D*P:40*10mm

XZ feed force :7.5kn

XZC1 axis Fast moving rate :30/30/100m/min

chuck diameter :250mm

Spindle through hole diameter :103mm

spindle power :22/33kw

Bar through hole :76mm

turning diameter :465mm

XZ axis travel :300*1050mm

Equipped with hydraulic center rest
