

Machine Name : Vertical machining center

Brand : Taikan

Machine Model : T-15

**Stock No. :
b27b6378fb2b412e5c3c6e29b6e75e1e**

Ex-factory Date :

Main Technical Parameters:

Three axis stroke: 1500 * 800 * 800mm

Workbench size: 1600 * 800mm

T-line slot: 5-22 * 135mm

Distance from spindle nose to workbench: 190-890mm

Distance from spindle center to fuselage end face: 800mm

Spindle speed: Luo Yi spindle 8000rpm

Tool handle: BT50

Spindle power: 18.5kw

Rapid movement rate: 12m / min

Cutting rate: 1-10000mm / min

Positioning accuracy: 0.012/0.008mm

Weight: 10800kg

Bearing capacity: 1500kg

Overall dimension: 4330 * 3200 * 3500mm
