

**Machine Name : Sale of used Makino
horizontal machining center MCB1210
1996**

Brand : Makino

Machine Model : MCB1210

**Stock No. :
85472b74b57faf6f9f29b1a40062d39b**

Ex-factory Date :

Main Technical Parameters:

Brand: Makino Old and new degree: 80% New equipment location: according to the actual situation Equipment production area: Japan CNC System :Professional3 magazine capacity :60 can be sold: the country type: CNC machine tool cell model :MCB1210 Makino 1996 horizontal treatment machining center ()

Model: MCB1210

CNC System: Professional3

Worktable size: 1000*1000 double position

Tool magazine: 60
