Machine Name : CNC gantry grinder

Brand : Chevalier

Machine Model : FSG-60160

Stock No. : 484992

Ex-factory Date : 2011

Main Technical Parameters:

WorkWorktable :4000*1500mm

Gantry width :2000mm

Gantry height :1350mm

Maximum grinding length :4000mm

Maximum grinding width :1500mm

Maximum distance from Worktable surface to grinding wheel end face :1150mm, vertical frequency 750mm

Worktable speed :5~25m/min

Maximum travel :4200mm

Y-axis maximum moving travel :900mm

Y-axis moving rate :0-1000mm/min

Z-axis maximum moving travel :1700mm(67)

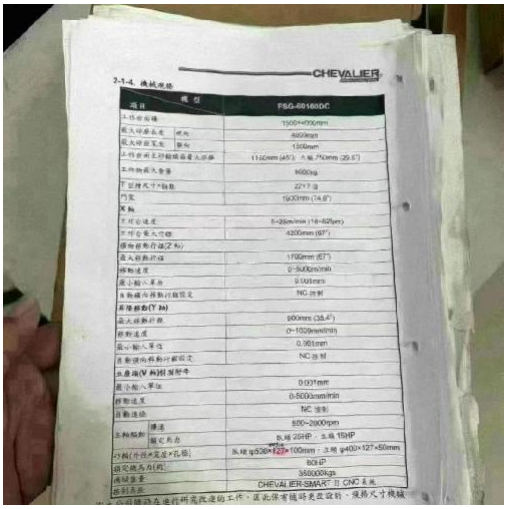

Z-axis shift speed :0-5000m/min
