

Machine Name : Vertical machining center

Brand : WELE

Machine Model : CV-1060

Stock No. : 92506

Ex-factory Date : There is no

Main Technical Parameters:

CNC CNC System: FANUC MF

spindle taper: Royi BT40

Spindle speed :10000rpm

three-axis travel: 1000*600*600mm

Worktable size: 1150*600mm

spindle power: 11KW Alpha motor drive

24 Beiju tools magazine, Three axes linear guideway
