

Machine Name : CNC lathe

Brand : Takisawa

Machine Model : TC-2

Stock No. : 92511

Ex-factory Date : There is no

Main Technical Parameters:

CNC CNC System :KND1000

6 positions turret

8 inch hydraulic chuck

rigid guideway engine

Maximum rotating diameter (mm) : 420

Standard machining diameter (mm) : 225

Maximum machining diameter (mm) : 250

Maximum machining length (mm) : 300

Bar machining diameter (mm) : 51

travel X axis travel (mm) : 140

Z-axis travel (mm) : 375

Spindle speed (RPM) : 64~3200

spindle nose A2-6 through hole diameter (mm) : 63

Bearing Internal diameter (mm) : 100
