

Machine Name : Gantry five-face machining center

Brand : SNK

Machine Model : RB-5VSMCS

Stock No. : 85533

Ex-factory Date : 2010

Main Technical Parameters:

Four axis travel: 5250*2900*600*1400mm

CNC CNC System: FANUC31

worktable surface: 5000*2500mm (15 tons)

Passable height: 2.05 meters

spindle taper: BT50

Spindle speed: 6000 RPM

Main motor power: 22/18.5kw

ATC:40

AAC:3 stations (vertical head/Right Angle head/universal head)

Full close loop glass scale control
