

Machine Name : 5 axes tool grinder

Brand : Walter

Machine Model : Helitronic Power

Stock No. : 85540

Ex-factory Date : 2003

Main Technical Parameters:

CNC CNC System: FANUC

X axis maximum travel (longitudinal travel):460mm

Y-axis maximum travel (vertical travel):320mm

Z-axis maximum travel (transverse travel):660mm

Maximum operating speed :15m/min

Maximum rotation Angle of C-axis Worktable (rotating Worktable): $\pm 200^{\circ}$

Linear axis control resolution :0.0001mm

Rotation axis control resolution :0.0001 $^{\circ}$

Double end grinding shaft:

Grinding shaft diameter :80mm

Maximum grinding wheel diameter :200mm

Main engine with cooling Water tank
