

Machine Name : Vertical machining center

Brand : GAMMA

Machine Model : HV—1000L

Stock No. : 92547

Ex-factory Date : 2022

Main Technical Parameters:

three-axis travel :1000x600x600mm

Worktable size :1160x550mm

Load: 800kg

Spindle speed: 8000rpm

machine tool weight: 7500kg

spindle motor: 11kw

spindle :BT50

tools magazine: 24

CNC System: FANUC oi-MD

machine tool external footage: 3200x2580x2900mm

Alpha motor helix chip removal

oil chiller
