

Machine Name : machining center

Brand : YASDA

Machine Model : YBM-640V

Stock No. : 62564

Ex-factory Date : 2000

Main Technical Parameters:

CNC CNC System: FANUC31I

X axis travel 600mm

Y-axis travel 400mm

The travel is 350mm

Distance between top of Worktable and end face of spindle 200*550mm

Spindle speed: 20000rpm

Tool holder: BT40

tools magazine 30

Large Tool length 250mm

spindle motor power 7.5 KW

3 axes motor power 3.7 kw

Positioning precision The 0.005 mm
