

Machine Name : Horizontal machining center

Brand : HYUNDAI WIA

Machine Model : KH63G

Stock No. : 4484975

Ex-factory Date : 2016

Main Technical Parameters:

CNC CNC System: FANUC

three-axis travel: 950*825*760mm

Work surface to spindle center: 0-825mm

Worktable center to spindle nose: 175-935mm

Worktable size: 630*630mm

Maximum load: 1000kg

Worktable 0.001deg one degree

Internal diameter of spindle bearing: 100mm

Spindle speed: 4500rpm

spindle torque: 1071NM

3 axes fast shift: 20/20/20m/min

Cutting feed: 1-5000mm/min

Minimum input unit: 0.001mm

tools magazine: 40

Tool holder size: BT50

Tool diameter: 110mm

Tool length: 600mm

Tool weight: 20kg
