

**Machine Name : CNC gantry boring
milling machine**

Brand : KAFO

Machine Model : 2□

Stock No. : 485228

Ex-factory Date : 2017

Main Technical Parameters:

CNC CNC System: FANUC MF

three-axis travel :2100*1500*800mm

Worktable size :2000*1400mm

Gantry width :1650mm

spindle: BT50 directly connected

Spindle speed :10000 RPM

Two linear guideways and one rigid guideway structure
