

Machine Name : CNC internal and external cylindrical grinder

Brand : JONES&SHIPMAN

Machine Model : SUPREMA 650 EASY

Stock No. : 85574

Ex-factory Date : 2013

Main Technical Parameters:

Grinding length :650mm

travel :750mm

Center height and grinding diameter :160/300mm

Maximum workpiece weight :100kg

Moving axle sand wheel with Heidenhain absolute glass scale

Left grinding wheel :350X50X127

Right grinding wheel :300X25X127

grinding wheel speed :16500 RPM

Inner grinding head power 2.2KW

spindle taper :5/3MT

Rotation Angle range :-15/+90mm
