

**Machine Name : Turn mill machining
Centere**

Brand : GOODWAY

Machine Model : GLS-2000M

Stock No. : 485173

Ex-factory Date : 2020

Main Technical Parameters:

Rotating diameter :560mm

machining diameter :230mm

machining length :330mm

spindle 8"

Through hole :65mm.

Spindle speed :4500 RPM

CNC CNC System; FANUC TF

With two power tools holders
