

Machine Name : Horizontal boring and milling center

Brand : HYUNDAI WIA

Machine Model : KBN-135

Stock No. : 85696

Ex-factory Date : 2021

Main Technical Parameters:

CNC CNC System: FANUC 31i-MODEL-B

BT50 three-speed spindle

Spindle speed :2000 RPM

The following options: 4 axis full close loop glass scale, tools magazine 60 Tools

three-axis travel: 4000*2000*1600mm

w axis travel :700mm

B axis 1 thousandth of a degree

Rotation diameter :4000mm

Worktable size :2000*1800mm

spindle 20 kg Center flushing

6 auxiliary guideway

Auxiliary console/wireless handwheel

Chip conveyor
