Machine Name : Gantry machining center

Brand : AWEA

Machine Model : SP2016

Stock No. : 485592

Ex-factory Date : 2006

Main Technical Parameters:

CNC System: FANUC 18i-MB high configuration CNC System, alpha motor drive

tools magazine: 32 floor-mounted tools magazine in Taiwan

spindle: BT50 full gear spindle

Spindle speed: 6000 RPM

guideway: XY linear guideway Z rigid guideway

Gantry effective width :1620mm

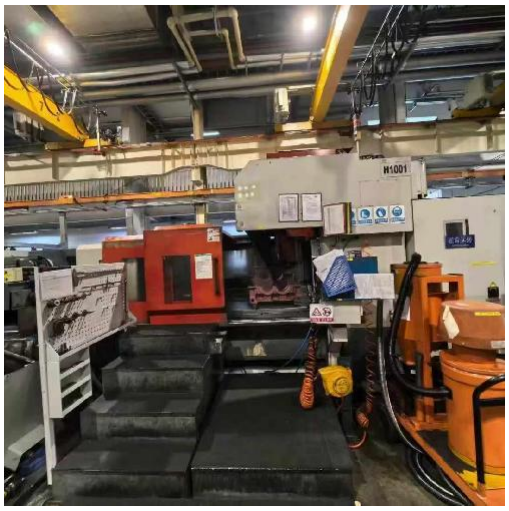

Gantry height :1300mm

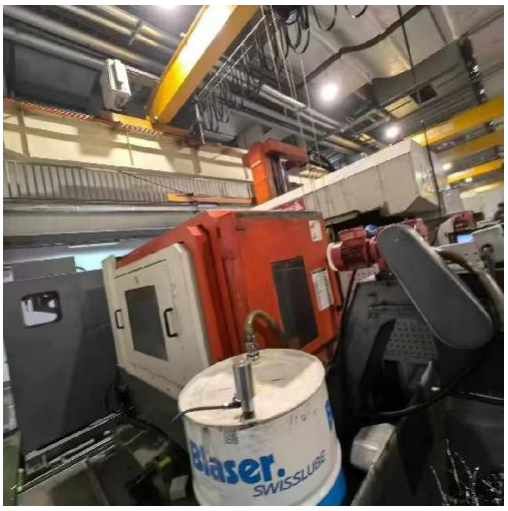

WorkWorktable: 2300*1500 mm

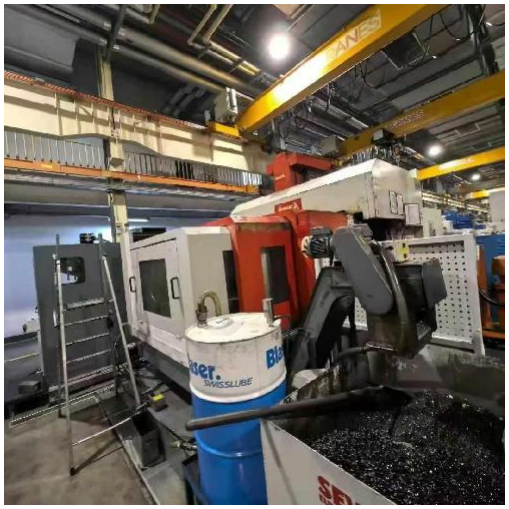

three-axis travel: 2100*1600*760 mm

Other Accessories: With 3 axes glass scale, with two row chipper, with chain row chipper, with spindle oil chiller
