

Machine Name : three-footageal

Brand : HEXAGON

Machine Model : Croma 8106

Stock No. : 85971

Ex-factory Date : To be added

Main Technical Parameters:

Measuring travel :800x1000x 600 mm

Software: Pc- DMIS

Probe: fully automatic (PH 10 T + TP 20)

precision: (2.8+ L / 300)um

Controller: ump 360

Measurement precision: generally 0.001-0.003mm

Instrument structure: vertical bridge structure.
